Presented By:

The City of Calgary in
partnership with the
Immigrant Sector Council
of Calgary

Who Should Attend:

Participants should be ready to enter the job market in the area in which they are trained. To maximize the impact of this event, please pre-screen your clients and register those whose employment profiles correspond to the following areas:

Information Technology (IT)
Finance
Engineering (Water, Transportation)
Civil Engineering Technologists
Safety Code Officers
Administration (Human Resources)

Learning Objectives for Newcomers:

- Learn about the City of Calgary's hiring process
- Find out what qualifications and experience the City of Calgary is looking for
- Discover where there are opportunities within IT, Finance, Engineering, Technology and Administration (HR)

After hearing from City representatives, participants will have the opportunity to ask the presenters questions in a roundtable setting.
